

Friday 4th November 2017

Dear Parents,

As part of our Literacy/Science focus for this term we will be exploring seasonal changes. I would like to visit Nower woods with the children so that we can explore how the woods are changing in autumn and to use this opportunity to develop our language skills through the senses. We shall then use this experience to write poems in literacy.

I am planning on taking the children to the woods on the morning of Tuesday 14th November. Please could your child bring in a pair of wellington boots and old trousers in a named bag to wear for the walk. Please make sure your child comes to school with a coat that day as well as gloves etc if it is really cold.

I would appreciate some extra adults to join us on our walk to the woods. If you are able to help out, we shall leave school at about 9.15am and aim to return by 11.00am. Please come and speak to me if you are able to come.

Kind regards,

Mrs Harber
