- **A Social Media Library** of sites which have been abused by people trying to exploit children has been put together by Surrey Safeguarding Team, and is attached to this week's Headlines. The sites are not necessarily dangerous themselves, but it is important to have an awareness of how they may be used and to ensure children understand the risks / how to stay safe.
- **Taking photos at school events** is currently allowed, but please remember to get permission from parents of all children in any photo before you share it online.
- **F.Y.I: Child Sexual Exploitation** is a type of abuse, where children may receive gifts, money or affection for taking part in sexual activities. If you have any concerns, you can contact trained NSPCC counsellors 24/7 on 0808 800 5000, by email via help@nspcc.org.uk, or [report a concern online via the NSPCC website](#).
