## LATEST NEWS

[head@pcps.uk](mailto:head@pcps.uk)

- **Moving up day** went well and the teachers enjoyed meeting their new classes - we hope the children are excited about their new teachers for September.
- **Well done to our rounders teams** who both played brilliantly, and especially to our Year 5/6 team who made it to the final and finished second overall.
- **At Pixham Athletics Festival** last night our athletes did us proud, representing the school in track and field events. Special congratulations to Liam, who was selected for an individual performance prize, Ella who came first in her race, Gemma who came second in long jump and third in 60m, and Edna who came third in the howler throw.
- **Ducklings Class** would love to build a sandpit, but need some resources. If anyone has any wooden sleepers, tarpaulin or play sand that they would be willing to donate, please speak to Mrs Fairhurst. They'd also love any donations of wellies, from infant size 10 to adult size 1. Thank you in advance.
- **Head lice** have been reported recently - please check your child's hair and apply treatment if needed. Children should not be kept off school with head lice.
- **The Greenpower Racing team** are competing on Sunday at the Top Gear race track in Dunsfold - good luck to all our drivers!
- **As an end of term treat**, the School Council have chosen to have a morning of playing games followed by a picnic lunch on the field on the last day. Children from Year 2 up are invited to bring in their own games from home (games will be provided in Years R and 1). Children who have school dinners will be provided with a picnic lunch by the school.
- **Well done to Mysha (Ducklings)** who was off school unwell, and wrote the most fantastic story at home which she brought in to show her teachers - amazing writing!

## REMINDERS

## FRIENDS OF POWELL CORDEROY SCHOOL

fopcs@pcps.uk

Many thanks to everyone who came to the Summer Fair last week and spent money on the various stalls and attractions. We hope you all enjoyed it. The monies have finally been counted and we are pleased to confirm that **over £3,000 was made** (BEFORE expenses). We made a decision this year to invest a bit of money in making sure the children had as much fun as possible (hence the inclusion of the Crazy Golf and Inflatable Obstacle Course). These were expensive to hire and unfortunately Patrick Gardner could not afford to sponsor them so the cost of those elements will be coming off the takings from the day. However, with Bag 2 School, a very successful Sports Day raffle and 'mini café', a number of uniform sales and a sale of our second hand books, it is fair to say that June has been a bumper month for fundraising.

May we also take this opportunity to say a huge thank you to all those who helped with the set-up, manning and break down of the event. It was a very hot day and you all worked tirelessly to make the Festival look and feel as fantastic as possible. Thanks also to everyone who baked cakes for the occasion.

We will be giving you details of what our funds will be spent on when we return in September!
