LATEST NEWS

- **Year 3's assembly** on Thursday was all about the ancient Mayans. The children acted their parts brilliantly and spoke their lines clearly. Their cake sale raised **£42.20**. Thank you to everyone who baked or bought cakes!
- **Years 5 and 6** have spent the day at Guildford Spike today, experiencing life in a Victorian workhouse - we look forward to hearing how they got on!
- **Congratulations to our new POW Editorial Team** Gemma, Gerta, Pippa and Sophie, who were appointed last week following some tough competition in the applications.
- **POW Magazine are looking for reporters!** Anyone is welcome to write a story or article as long as it links to the theme for this edition, which is *Winter Wildlife and the Environment*. Children of any age can write and send their articles to editor@pcps.uk for consideration. This year, the editors are offering a **free lolly** for every successful article they print! Articles for this term's edition are needed by **Friday 7th December**.
- **POW Magazine are looking for advertisers!** If you would like to place an advertisement in all three editions this year (one per term) it will cost £5 for a quarter page, £10 for a half page or £20 for a full page. Please email your advert to editor@pcps.uk and send payment in via cash or cheque to the school office.

REMINDERS

- **After School Club Assistant Needed:** 3:00 - 6:15 pm on Wednesdays, from January. Please enquire at the school office or [apply online](#).
- **Christmas is coming**, and if you're looking for a meaningful way to spread some Christmas spirit, why not consider purchasing an item from our school [Amazon wishlist](#)? With our ever-decreasing budget, we are increasingly unable to purchase "little extras" to enhance learning, and are incredibly grateful for any donations, however big or small!
- **We have a vacancy for a parent governor**, and are specifically looking for someone with experience in grant fundraising. Interested applicants can obtain more details from the school office, and should contact our chair of governors hannah.pearce@pcps.uk to express an interest in applying.

- **Taking photos and sharing images online:** We don't want to stop you capturing your child's special moments at school events, but please exercise respect and caution when doing so. With the exception of big group photos, please **only take photos of your own child(ren)** or seek permission from parents before taking a photograph. Please **do not share any** photos of children online (including big group photos) without first obtaining permission from the parents of every child in the photo. Please be aware that we do have some children in school who, for legal reasons, cannot have their photograph shared online. The same rules apply to videos. We can only continue to allow photography at school events provided everyone respects these rules. If you have any concerns or do not wish your child to appear in group photos (such as on stage in a performance) please speak to one of the Headteachers in advance. Thank you for your understanding and cooperation.
