

12th September 2016

Dear Parents,

RE: Activity Clubs

Please find below a list of activity clubs for the Autumn Term. Clubs start week commencing Monday 19th September and will finish week ending Friday 9th December except where stated below. Please can we remind parents that staff run these clubs on a voluntary basis and that parent helpers are always welcomed, to enable us to offer more activities for larger groups.

Places for all school led activity clubs can be be booked online using our parents evening system. Please visit

<https://powellcorderoy.parentseveningsystem.co.uk> to reserve a place for your child. Login with the following information:

- Pupil's First Name
- Pupil's Surname
- Pupil's Date of Birth

Once you have logged in, you will need to select Events and then proceed from there. If you do not have access to the internet, please contact the school office who will be happy to reserve a place for your child at the relevant club. For those clubs provided by an external provider please contact the provider directly.

To try to ensure that as many children as possible have the opportunity to take part in an activity, we would ask that initially you only select one club when the booking system opens. There will be a further opportunity to reserve additional places at a later date. **The booking system will open at 8pm tonight.** Payments for cookery club and sewing club can either be made weekly or termly.

Children who attend After School Club (until 6:00pm) can attend an activity club first if they wish and will be taken to After School Club when the club finishes.
