

Monday 8th May 2017

Dear Parents,

Last Friday we were visited by Lal Chatfield, the Bike It Officer for Reigate, Banstead and Mole Valley, who led an assembly all about the benefits of cycling. After the success of our involvement in 'The Big Pedal', which saw many more children and their families cycling, scooting or walking to school, she would like to invite yourselves and your children to our first ever 'Bike Breakfast' on Wednesday 17th May.

Anyone who would like to attend must walk, cycle or scoot on the morning of the 17th to arrive at school for 8am. The breakfast event is for both parents and their children including younger siblings (your child remains your responsibility until the school gates open at 8.40am) and will be held in the hall where there will be quizzes, videos to watch, raffles and prizes, and food and drink for all. It promises to be a fun morning so we would love to see as many of you there as would like to join us!

To help us to plan for the event, please return the reply slip below to the school office by the end of the school day this Friday, 12th May, letting us know the number of children and adults attending.

Yours faithfully,

Mr Darke
