

Wow! Wow! Wow!

We have smashed records for almost every single event this year and, in the process, have raised over £7,000. Combining this with money raised last year means we have been able to transfer over £11,000 to our school for various projects this year!

The main purchase has been the Chromebooks which the children have been using this year and we have just transferred funds to furnish the arts & music space being created over the summer. In addition, money raised by the 200 Club will be used to buy some new musical instruments. These projects have made and will continue to make a massive difference to our school and to all our children.

Our events have ranged from the simple Valentine's Mufti and Friday icepop sales, through the hamper raffles and St Martin's Walk cake sales, to the mammoth Christmas Fair and Summer Festival. We hope you have enjoyed them all, thank you so much to you all for all of your support, we couldn't have done it without you.

We've tried some new things this year and the results speak for themselves so are hoping to carry on breaking records next year too. To do that, we need you to get involved, share your ideas and volunteer your time. Our AGM will be held on Thursday 24th September at 8pm in the school hall. We will be celebrating our success this year with drinks and nibbles as well as beginning to plan next year. We look forward to seeing you there.

Wishing you all a wonderful summer.

Thank you so much for all of your support this year.

200 Club

The 200 club is our very own monthly draw.

Numbers cost £12 for a year, half of which goes directly to the school's fundraising and the other half goes to the prize fund. The winning number is drawn monthly in assembly with a prize of up to £100 depending on how many numbers are allocated.

For further details, please see Linda Buswell (Sophie, Yr2) or pick up a leaflet from the office.

You've got to be in it to win it!

Tower of 2ps

We run this event in April every year so why not start collecting now? The class that raises the most gets an extra playtime.

Bag2School

Bag2School is a textile recycling scheme, bags we collect are weighed and we get 50p per kilo. We have collections 2-3 times a year from school so please do keep suitable items (pls keep old uniform for 2nd hand sales)

Bag2School take

- clothes
- shoes (tied together)
- belts
- hats
- handbags

Christmas Cards

Almost as soon as the children return to school in September, they'll be working on their Christmas card designs.

Their designs will come home with an order form allowing parents & family to place orders for cards, gift tags, mugs etc.
