

School uniform

Our simple uniform, incorporating the school colours of royal blue and gold, helps promote a feeling of identity and belonging.

We suggest a sensible working outfit for the children while they are in school. You can buy sweatshirts, cardigans, polo-shirts, T-shirts and track-suits, all with the school logo, from *Love Your Logo*, Ashcombe House, London Road, Dorking. Please call 01306 741141.

Nail varnish and jewellery

We do not allow nail varnish or jewellery, except for:

- Watches (but not 'smart' watches with games or internet access)
- One pair of small stud earrings for children with pierced ears. These must be removed for PE and Games lessons – this is a Surrey County Council rule. If you're planning to have your child's ears pierced, it's best to do so at the very beginning of the summer holidays so they have plenty of time to heal. Then your child won't have to miss PE lessons at the start of the autumn term. Experience has shown that it's best if children don't wear earrings in school, particularly on PE days!

Hair

Long hair should be tied back. Hair bands or accessories should be modest and in school colours. Please don't allow children to have 'cult' designs or tramlines shaved into their hair during term-times, and keep the hair gel for weekends and holidays.

We also ask that children don't bring toys, sweets or money to school. In general, it's best if children don't bring valuables to school, but if they do (such as mobile phones for children who travel alone), please make sure they give the items to the teacher or the school office.

Outerwear

In cold or wet weather, please make sure your children bring a smart, warm, waterproof coat to school. We actively encourage wellies on rainy days, but please school shoes for the children to change into indoors. Umbrellas are not allowed on the playground at playtime or lunchtime, so we strongly suggest hooded coats – we only stay inside if we really have to!
