Responsibility

Our School Value for September

Dear Parents and Carers,

This month we are focusing on the Value of **Responsibility**. A responsibility is something that is your job to do something about, or to think about. It is something that affects our lives and other people's lives.

In school our children are often given jobs or activities to do which they are encouraged to see through and do to the best of their ability. Responsibility is:

- The ability to make and act upon appropriate and sensible decisions;
- To recognise the consequences of our own actions;
- To take care our ourselves, our property, our home, community and the world in which we live;

At home during this month you may like to assign your children small jobs which they are responsible for completing eg. keeping a tidy bedroom, setting the table, dusting, feeding pets etc. All that is needed is praise for a job well done!

In assemblies and in class we will be reflecting on:

- Looking after ourselves and our possessions;
- Taking responsibility for the way we behave and encouraging children to make the right choices;
- Considering how we as a school and as individuals can help to make the world a better place;

Thought for the month:

"Everything in your life is a reflection of a choice you have made. If you want a different result, make a different choice."

If you would like any further information on our Values Education Programme please don't hesitate to contact me via the school office.

Yours sincerely,

Mrs H. Harber

Values Leader / Year 1 Teacher
