

Curriculum Overview: Early Years Foundation Stage

Autumn Term 1	Autumn Term 2	Spring Term 1	Spring Term 2	Summer Term 1	Summer Term 2
<p>Starting School</p> 	<p>Why do squirrels hide their nuts?</p> 	<p>People who help us</p> 	<p>Will you read me a story?</p> 	<p>Do cows drink milk?</p> 	<p>Why are carrots orange?</p> 
<p>Look at me!</p> 	<p>Colour and light</p> 	<p>Can I switch it on?</p> 	<p>Why do ladybirds have spots?</p> 	<p>My town</p> 	<p>Are we nearly there yet?</p> 

Throughout the curriculum, we find as many opportunities as possible to teaching the following:

- | | | | | |
|-----------------------|--------------------|-------------------|----------------------|--------------------|
| E-safety | Safeguarding | Anti-bullying | British Values | Global Citizenship |
| Spiritual Development | Social Development | Moral Development | Cultural Development | |

These symbols appear under 'important links' if the area is specifically addressed through a learning experience in that topic.

Look at me - A focus on settling into School, new routines, sharing about ourselves, our families					
Personal, social and emotional development			Communication and language		
Self-confidence and self-awareness	Managing feelings and behaviour	Making relationships	Listening and attention	Understanding	Speaking
Confident to speak to others to express own needs, wants and interests Can describe self in positive terms and talk about abilities.	Our school learning charter Aware of the boundaries set and of behavioural expectations in class.	Initiates conversation with others Begin to identify friends - rainbow fish activity.	Establishing classroom routines, boundaries and expectations Join in for key group activities Respond to instruction		Growing Vocabulary as experience of school widens Use imaginative language2
Physical Development		Literacy		Mathematics	
Moving and handling	Health and self-care	Reading	Writing	Numbers	Shape, space & measures
Understand how to keep safe in a new environment How to transport and store equipment safely	Sharing mealtimes. Good idea of what contributes to good health Cooking activities using apples collected from the school tree.	Discovering the library Explore Class book area Listen to stories	Mark making to label own work/communicate Drawing and writing about ourselves, our families, growing up, our senses.	Recognise numerals of personal significance ie age. 10 11 12 Create a class number line	Use everyday language related to time Orders and sequences familiar events
Understanding of the world			Expressive arts and design		Trips
People and communities	The world	Technology	Exploring and using media and materials	Being imaginative	Visits around school.
Who is who in school? Joining in with family customs and routines	Finding my way around the school and class	Investigates computers Design a picture using a	Learn some/bring some songs and dances we know	Enjoy role play area Introduce a narrative into play	

RE: What makes us special? Elmer the elephant activity		simple program.	Start music classes. Investigate design area		
---	--	-----------------	---	--	--

Characteristics of Effective Learning					
--	--	--	--	--	--

Playing and Exploring	Active Learning		Creating and thinking critically		
------------------------------	------------------------	--	---	--	--

Why do squirrels hide their nuts? A focus on the Season of Autumn, Autumn festivals

Personal, social and emotional development						Communication and language							
Self-confidence and self-awareness		Managing feelings and behaviour		Making relationships		Listening and attention		Understanding		Speaking			
Confident to share own interests and opinions		Importance of being thoughtful, kind and caring		Recognise family units and roles within it Work as part of the class group		Follow instruction, direction from adult		Act upon adult direction. Begin to understand how and why questions		Extend Vocabulary by grouping and naming Uses talk to organise thought and ideas.			
Physical Development				Literacy				Mathematics					
Moving and handling		Health and self-care		Reading		Writing		Numbers		Shape, space & measures			
Develop good control and coordination in large movements		Making winter soup Be aware of good hygiene Try new foods		Explore a variety of Seasonal books eg John Burningham Seasons, Alfie's Boots		Give meanings to marks they make		Counting objects both moveable and fixed Selects numeral to represent objects Estimation, more less		Patterning opportunities Order and sequence Shape recognition Language related to time:seasonal			
Understanding of the world						Expressive arts and design						Important Links	
People and communities		The world		Technology		Exploring and using media and materials		Being imaginative		An Autumn Wood walk			
Begin to Recognise special times eg Harvest Festival RE: Why do we have celebrations?		Show care and concern for living things and the environment. An autumn walk in the woods		Interact with age appropriate computer software.		Combine different media to create new effects. Observing changing colours, collecting evidence of autumn, creating displays and collages Choosing colours for a particular purpose							
Characteristics of Effective Learning													
Playing and Exploring				Active Learning				Creating and thinking critically					

Colour and Light - an Exploration of Colours, mixing colour, light and dark, and all the sparkle of Christmas!

Personal, social and emotional development						Communication and language							
Self-confidence and self-awareness		Managing feelings and behaviour		Making relationships		Listening and attention		Understanding		Speaking			
Share own feelings in different contexts eg. nighttime		Understand own actions affect others		Initiates conversations, attends to and takes account of what others say.		Begin to listen attentively in a range of situations		Begin to listen and respond to ideas expressed by others		Extend Vocabulary			
Physical Development				Literacy				Mathematics					
Moving and handling		Health and self-care		Reading		Writing		Numbers		Shape, space & measures			
Uses simple tools to effect changes eg in the dark room		Night and day routines, managing personal care		Can't you sleep little bear Rainbow fish Begin to links sounds to letters		Begins to hear and say initial sounds in words Writes own name		Sorting, grouping opportunities Counting objects of different materials		Begin to name shapes, order by category			
Understanding of the world						Expressive arts and design						Important Links	
People and communities		The world		Technology		Exploring and using media and materials		Being imaginative		Nativity Performance Visit a Church for Christmas.			
RE: Recognise and describe special times. What makes a place special? Why are stories special?		Look closely at similarities, differences, patterns and change		Lightbox Activities Dark room, torches etc		Collages involving coloured materials, colour mixing,		Choosing colours for a purpose. Play alongside others engaged in same theme					
Characteristics of Effective Learning													
Playing and Exploring				Active Learning				Creating and thinking critically					

People who help us- A focus on keeping safe, important people and their roles

Personal, social and emotional development						Communication and language							
Self-confidence and self-awareness		Managing feelings and behaviour		Making relationships		Listening and attention		Understanding		Speaking			
They say when they do or don't need help. Shows confidence in asking adults for help.		They work as part of a group or class, and understand and follow the rules		form positive relationships with adults and other children.		Initiates conversations, attends to and takes account of what others say.		Explains own knowledge and understanding, and asks appropriate questions of others.		They develop their own narratives and explanations by connecting ideas or events.			
Physical Development			Literacy			Mathematics							
Moving and handling		Health and self-care		Reading		Writing		Numbers		Shape, space & measures			
		Children can talk about ways to keep healthy and safe. They manage their own ... personal needs successfully.		Sharing stories of getting lost. Children demonstrate understanding when talking with others about what they have read.		Meet people who help us, write about their roles							
Understanding of the world						Expressive arts and design						Important Links	
People and communities		The world		Technology		Exploring and using media and materials		Being imaginative		Organise people who help us to come and visit and talk about their roles. Eg police woman, policeman, our school caretaker, a nurse, the school cook, the school secretary, a lunchtime supervisor			
Children talk about past and present events in their own lives and in the lives of family members. Invite people with special roles to visit us.		Children know about similarities and differences in relation to places, objects, materials and living things. They talk about the features of their own immediate environment and how environments might vary from one another.		Children recognise that a range of technology is used in places such as homes and schools.		Children sing songs, make music and dance, and experiment with ways of changing them. They safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.		Children use what they have learnt about media and materials in original ways, thinking about uses and purposes. They represent their own ideas, thoughts and feelings through design and technology, art, music, dance, role play and stories.					
Characteristics of Effective Learning													

Playing and Exploring	Active Learning	Creating and thinking critically
------------------------------	------------------------	---

Can I switch it on? A technology focus, using programmable toys, making things that move

Personal, social and emotional development			Communication and language		
Self-confidence and self-awareness	Managing feelings and behaviour	Making relationships	Listening and attention	Understanding	Speaking
Children are confident to try new activities and will choose the resources they need for their chosen activities.	They work as part of a group or class, and understand and follow the rules.	Children play co-operatively, taking turns with others. They take account of one another's ideas about how to organise their activity.	They give their attention to what others say and respond appropriately, while engaged in another activity	Children follow instructions involving several ideas or actions. They answer 'how' and 'why' questions about their experiences and in response to stories or events.	They develop their own narratives and explanations by connecting ideas or events.
Physical Development		Literacy		Mathematics	
Moving and handling	Health and self-care	Reading	Writing	Numbers	Shape, space & measures
They handle equipment and tools effectively, including pencils for writing.	Children talk about ways to keep healthy and safe.	Children read and understand simple sentences. They use phonic knowledge to decode regular words and read them aloud accurately.	They write simple sentences which can be read by themselves and others. Some words are spelt correctly and others are phonetically plausible.	Children count reliably with numbers from one to 20. Place numbers in order. Say which number is one more or one less than a given number.	Children use everyday language to talk about position to compare quantities and objects and to solve problems. They recognise, create and describe patterns. They explore characteristics of everyday objects and shapes and use mathematical language to describe them.

Understanding of the world			Expressive arts and design		Important Links
People and communities	The world	Technology	Exploring and using media and materials	Being imaginative	
<p>They know that other children don't always enjoy the same things, and are sensitive to this.</p> <p>RE What makes me special?</p> <p>'xñ by' xñ y(xñ y)MZX</p> <p>Why do we have celebrations?</p> <p>@nyZA ZYM 'NYZX</p>	<p>They talk about the features of their own immediate environment and how environments might vary from one another</p>	<p>Children recognise that a range of technology is used in places such as homes and schools. They select and use technology for particular purposes.</p>	<p>They safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.</p>	<p>Children use what they have learnt about media and materials in original ways, thinking about uses and purposes.</p>

Will you read me a story? A literacy focus, stories, songs, poems and drama!

Personal, social and emotional development			Communication and language		
Self-confidence and self-awareness	Managing feelings and behaviour	Making relationships	Listening and attention	Understanding	Speaking
They are confident to speak in a familiar group, will talk about their ideas, and will choose the resources they need for their chosen activities. They say when they do or don't need help.	Children talk about how they and others show feelings, talk about their own and others' behaviour, and its consequences, and know that some behaviour is unacceptable.	They take account of one another's ideas about how to organise their activity.	Children listen attentively in a range of situations. They listen to stories, accurately anticipating key events and respond to what they hear with relevant comments, questions or actions. They give their attention to what others say and respond appropriately, while engaged in another activity	Children follow instructions involving several ideas or actions. They answer 'how' and 'why' questions about their experiences and in response to stories or events.	Children express themselves effectively, showing awareness of listeners' needs. They use past, present and future forms accurately when talking about events that have happened or are to happen in the future. They develop their own narratives and explanations by connecting ideas or events.
Physical Development		Literacy		Mathematics	
Moving and handling	Health and self-care	Reading	Writing	Numbers	Shape, space & measures
They handle equipment and tools effectively, including pencils for writing.		Children read and understand simple sentences. They use phonic knowledge to decode regular words and read them aloud accurately. They also read some common irregular words. They demonstrate understanding when talking with others about what they have read.	Children use their phonic knowledge to write words in ways which match their spoken sounds. They also write some irregular common words. They write simple sentences which can be read by themselves and others. Some words are spelt correctly and others are phonetically plausible.	Children count reliably with numbers from one to 20, place them in order and say which number is one more or one less than a given number. Using quantities and objects, they add and subtract two single-digit numbers and count on or back to find the answer. They solve problems, including doubling,	Children use everyday language to talk about size, weight, capacity, position, distance, time and money to compare quantities and objects and to solve problems. They recognise, create and describe patterns. They explore characteristics of everyday objects and shapes and use mathematical language to

				halving and sharing.	describe them.

Children sing songs, make music and dance, and experiment with ways of changing them. They safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.	Children use what they have learnt about media and materials in original ways, thinking about uses and purposes. They represent their own ideas, thoughts and feelings through design and technology, art, music, dance, role play and stories.	
Characteristics of Effective Learning					
Playing and Exploring		Active Learning		Creating and thinking critically
