

8th September 2016

Dear Parents

**Re: Walking to School Meeting Nightingale and Goldfinch classes**

I would like to invite you and your child to join me on Monday 12th September 3.30-4.00pm in the hall to discuss how to ensure the safety of your child if they do or will be walking to and/or from school by themselves. Your child's safety is paramount and whilst we very much encourage and teach the children to become more and more independent the older they get, ensuring they understand how to stay safe and what can be done to ensure this is vital.

I look forward to seeing you Monday.

Yours sincerely,

*Mrs Smart*

Interim Headteacher
