

Love

Our School Value for February

Dear Parents and Carers,

This month we are focusing on the value of **Love**. We will be reflecting on why love is so important to us and how being loved by other people gives us inner warmth and strength. We will be thinking about the many different forms of love that exist. We will be thinking of love as an action, reflecting on the importance of not just telling someone we love them with words, but showing them with actions too! We hope that you and your family will join with us as we promote this value in school.

LOVE REFLECTION POINTS

- Love is the value that makes our relationships better.
- I am loveable and capable – and so are you.
- When I am full of love anger runs away.
- Love for others means I want what is good for them.
- When we feel strong inside, it is easy to be loving.
- Loving is caring, loving is sharing.
- Loving is being a trustworthy friend.

In assemblies and in class we will be reflecting on:

- Reflect on what it means to be loveable.
- Reflect on the importance of actually showing people we love them, not just saying it.
- Reflect on the story of St. Valentines and the importance of it.
- Knowing that love comes from within and the importance of being able to love yourself.

Thoughts for the month:

“Having somewhere to go is what we call HOME. Having someone to love, who loves us in return, is what we call FAMILY. Having both: BLESSING.” Kemmy Nolan
