Trust

Our School Value for May

Dear Parents and Carers,

This month we are focusing on the value of **Trust**. Trust is one of the most important Values as it is what all good relationships are based upon. To trust each other you need to be honest. Good relationships are like building a house, without the foundations of trust and honesty being laid first, the walls and roof will not stay up. Learning to trust each other gives us confidence to achieve success in the things we do. We hope that you and your family will join with us as we promote this value in school.

TRUST REFLECTION POINTS:

- Trust means feeling that a person will always be there for us
- Trust is having confidence in people/objects
- Trusting people is part of everyday life
- Putting trust in someone or something requires faith and courage
- Reliability, honesty, faithfulness builds trust
- If you are trustworthy, you can be relied upon to do the right thing

In assemblies and in class we will be reflecting on:

- Reflect on ways we can earn each other's trust.
- Reflect on the benefits of being seen as a trustworthy person.
- Reflect on the effects when trust is broken and ways we can work to rebuild that trust.

Thought for the month:

"Trust yourself.

Create the kind of self that you will be happy to live with all your life. Make the most of yourself by fanning the tiny, inner sparks of possibility into flames of achievement."
