

Monday 30th October 2017

Dear Year 3 Parents,

As part of topic work this term we will be visiting Pizza Express in Dorking on Thursday 9th November to create our own pizzas, cook them and take them home. We will leave school at around 9.00am and be back by around 11.30am.

There is no cost as we will be walking to the restaurant from school. The children will need their school uniform as usual and a waterproof, warm coat for travelling there. The children will have the opportunity to make their own pizza which will be cooked and boxed at Pizza Express before we come away. The children can then bring their pizza creation home at the end of the day.

Pizza Express has informed us that if your child follows a gluten free diet you can provide your own base which they will cook. Please let us know if you have any other concerns or if your child has any allergies. Further allergy advice can be found on the pizza express website in the "our food" section; at the bottom of the page is a section entitled "allergy advice".

Please sign and return the slip below confirming that your child can attend this trip.

Yours sincerely

Mr Tree
