Love

Our School Value for February

Dear Parents and Carers,

This month we are focusing on the value of **Love**. We will be reflecting on why love is so important to us and how being loved by other people gives us inner warmth and strength. We will be thinking about the many different forms of love that exist. We will be thinking of love as an action, reflecting on the importance of not just telling someone we love them with words, but showing them with actions too! We hope that you and your family will join with us as we promote this value in school.

WHAT IS LOVE?

The greatest gift you'll ever learn is to love and to be loved in return. Love can be seen with your eyes by a caring expression, felt when in the presence of someone special and heard by listening to kind, caring words. Love touches our hearts. Love shows a genuine interest for other people, places or things that we value as important. Love is necessary for all of the things we do and want in our lives. The best and most beautiful things in the world cannot be seen or even touched... they must be felt with the heart. Love is the energy of life. When we surround ourselves with loving and supportive people our confidence and happiness grows.

Stories to share at home

Guess How Much I Love You?
What Colour Is Love?

Sam McBratney
Linda Strachan

In assemblies and in class we will:

- Reflect on what it means to be loveable.
- Reflect on the importance of actually showing people we love them, not just saying it.
- Reflect on the story of St. Valentines and the importance of it.
- Know that love comes from within and the importance of being able to love yourself.

Thoughts for the month:

If you would like any further information on our Values Education Programme please don't hesitate to contact me via the school office.

Yours sincerely,

Mrs H. Harber

Values Leader / Year 1 Teacher
