

Home-School Agreement

Juniors' Agreement

This document outlines our responsibilities as a school, and your responsibilities as parents and children. It helps us to define the contribution we each make to ensuring children learn well in school and at home.

As your child has now started in the Juniors, we ask you reread the home-school agreement and renew your commitment to it by discussing it with your child and returning a signed confirmation to school. Thank you.

Powell Corderoy School Aims:

- To provide a well-rounded and stimulating curriculum delivered through excellent teaching. To ensure that every child is excited by learning, developing the confidence, independence and self-reliance which will provide the basis for a lifetime of learning.
- To have high expectations which value and nurture the potential of every child, encouraging them to always challenge themselves and take pride in all they do, thereby raising self-esteem. To celebrate these achievements through rewards and commendations.
- To create a safe, stimulating and supportive environment that welcomes all and creates a partnership between school, parents and the wider community.
- To enable all children to become responsible members of both the school and the wider communities, able to work with others and show respect, honesty, compassion and understanding towards all. To promote the development of healthy bodies and minds.

At Powell Corderoy Primary School we believe that this will be achieved best when staff, parents and pupils work together.
