Ambition

Our School Value for January

Dear Parents and Carers,

Happy New Year and welcome back. Our new value for January is ambition.

What is Ambition?

Ambition is a strong desire to do or achieve your personal goals and do your best, whilst supporting others.

Why do we need to develop an ambitious attitude at Powell Corderoy?

Ambition at Powell is having the self-belief to achieve the best that you can. It is where children and adults don't give up on their dreams and strive to do their best.

10 ways to nurture ambition in children:

1. Encourage them
2. Challenge them
3. See the world
4. Buy books
5. Encourage heroes
6. Role play
7. Group play
8. Accept change
9. It's not about money
10. Anything is possible

In assemblies and in class we will be reflecting on:

- What is ambition?
- How can we adopt this value in January?
- What is it you want to be able to do? Or get better at?

Thought for the month:

"At the age of six I wanted to be a cook. At seven I wanted to be Napoleon. And my ambition has been growing steadily ever since."

Salvador Dalí
