- **WANTED: Chair of Governors!** Our current chair, Hannah Pearce, sadly finishes her term of office on 13th May. Do you know someone who has what it takes to lead our Governing Body? - **Well done** to those children in years 3, 4, 5 and 6 who took their first Times Table challenge in the hall this week with Mr Leach. Now they are used to the system and speed with which they are expected to answer, we will be hoping for lots more passes over the coming weeks. Children are entered for the different categories once their teachers have tested them in-class on all of the tables need for each stage:(Bronze is 1, 2, 10 and 5; Silver is 3, 4, 8 and 6; and Gold is 7, 8, 11 and 12).
- **Congratulations to our star of the week**, Harry M! Mr Leach said: *"Harry has been displaying a fantastic attitude this week and trying really hard. He volunteered to read a passage to the class in an English lesson and did really well. I'm proud of your Harry - keep it up!"*
- **Cake Sale Proceeds** - thank you to everyone who baked or bought cakes following the Year 1 and Year 2 Class Assemblies. Year 2's Cake sale raised £55.30 whilst Year 1's Cake Sale and mufti raised £83.00, which will go towards new resources for their outdoor learning area.
