

Powell Corderoy Strategic Plan

Last updated: June 2019

Introduction

Governors, staff, parents and pupils have high expectations for Powell Corderoy. We start the 2018/19 academic year with confidence having secured a 'good' Ofsted judgement at the end of 2016 and with an energetic and committed co-headship; both outstanding teachers. We continue to set ambitious short-term and long-term goals to embed improvement throughout our school, secure in the knowledge that we have achieved many of the targets set since our last inspection. We are making good progress towards our aim of becoming an outstanding school. With a cohort of first choice entrants in Reception, we aim to be an inclusive school where all children thrive and achieve their full potential (wherever their talents may lie), and all stakeholders are 'Proud to be Powell.' But setting high expectations for excellent achievement must not come at the cost of nurturing happiness. We strive to be a true 'community' school that delivers a rich, holistic and values-based education, equipping our pupils with the skills, knowledge and support to prepare them for whatever lies ahead.

Our Vision

'A school of excellence and happiness at the heart of the community' sets out our dual ambitions - *excellence* and *happiness*.

This document sets out our priorities for the next five years to drive this improvement. Detailed objectives, action plans and milestones will be set out in the School Development Plan, the Powell Plan, each year and progress will be shared regularly with all our stakeholders.

Our Goals

- Embedding our 'good' Ofsted judgment throughout the school
- Working towards an 'outstanding' Ofsted judgment
- A holistic, values-led education
- Running at capacity with a waiting list
- Ensuring a carefully managed budget
- All stakeholders are 'Proud to be Powell'
