Activity book to be completed this we... 20

Due 27 Mar

Posted 23 Mar (Edited 23 Mar)

Assigned

Here is an activity book for you to complete over the next fortnight. If you don't have the facilities to print it out IT DOESN'T MATTER. Most of the tasks can be completed/recorded on paper in the red exercise book I sent home. There are 10 English activities. You should complete 1 English activity and 1 or 2 of the other activities each day. Enjoy and good luck!

Don't forget you can ask your parents to send me an email to let me know, or show me, how you've been getting on.

I've decided to look at the [English](#) tasks but it's similar for all the other tasks too. You now need to click on [View assignment](#) at the bottom left corner.

*"It's good to do most of your work in your exercise book so that you can practice your handwriting and presentation skills for when we are back in the classroom."*

The screenshot shows a user interface for a Year 4 class page. At the top left, there is a hamburger menu icon and the text "Year 4 2019/2020". At the top right, there are three tabs: "Stream", "Classwork", and "People". The "Stream" tab is currently selected and underlined. Below the tabs is a large empty white space. At the bottom of the page, there is a comment input area. A blue arrow points from the left towards the input field, which contains the text "Hi Mr White. I've added some new work for my English assignment!". To the right of the input field is a blue arrow icon. Below the input field is a post by "Powell Corderoy Year 4 Teacher" dated "24 Mar (Edited 24 Mar)". The post content reads: "Tuesday 24th March. Let me know how you're getting on with your classwork today by adding a comment below. Click on the 'Classwork' tab above. This week's assignments can be found under the 'English' and 'Maths' headings. Have a great day! Mr White". A vertical blue arrow points upwards from the top of the page towards the "Stream" tab.

Well done, you have uploaded your work so that your teacher can view it!
